## Our Teachers

Having a recognised diploma-level qualification in teaching English to speakers of other languages is a requirement for our year-round teachers. In addition to this, they will also have extensive teaching experience in a variety of professional areas. It is a minimum requirement that teachers have a recognised English language teaching qualification i.e Cambridge CELTA, Trinity College TESOL Certificate or equivalent. Teachers are also expected to have a degree level qualification.

Within our established long-term team, a number of teachers have Masters level qualifications, others have qualified teacher status (QTS) and some have specialist subject qualifications. Many of these teachers have positions of responsibility according to their areas of expertise.

# General English Programme

Our Intensive courses have been developed over many years of teaching experience. Innovative and communicative teaching methods are used and form the basis of our teaching. Our General English Programme offers a choice of courses for everyone who needs an improved level of English for academic, social or professional reasons.

## Your choice of courses

When you enrol, you can select the number of lessons per week which suits you best, and the course duration which meets your needs. You can be sure that, whether you are a complete beginner, or whether you already have a good understanding of the language, there will be a class suitable for you.

## Your class

You will study in a lively international atmosphere with others whose levels of English are similar to your own. You will be taught by a team of two or three teachers, who encourage participation and interaction between members of the group - and English is the only language you will use!

## Your lessons

Your lessons will be interesting and effective, with a variety of activities to develop your confidence, knowledge and skills:

- presentation and practice of new language
- rapid development of oral fluency, accuracy and conversation skills
- efficient development of listening, reading and writing skills
- extension of vocabulary, structure and usage

If you follow a course of 25 lessons per week, you will have the additional benefit of language extension activities. If you follow a course of 30 lessons per week, you will have the benefit of language extension activities and the English for Success Programme.

Outside your scheduled timetable, you will be able to use the multi-media learning centre, with computers, internet access, DVDs, reference books/materials and private study facilities.

# Examination Programme

At Anglo-Continental, we have a long successful history in preparing our students for English language examinations, which are widely accepted in academic and commercial circles throughout the world. We provide courses in preparation for highly regarded examinations such as the International English Language Testing System (IELTS) and the University of Cambridge First Certificate (FCE).

Courses are designed to develop the necessary skills relevant to the particular examination and to present and practise language appropriate to the students' needs. Timed practice tests provide an idea of what it is like to work under pressure during a real examination.

## **Intensive IELTS Preparation Course**

Recognised worldwide, IELTS assesses the language ability of candidates who need to study or work where English is the language of communication. Our comprehensive course is intended for those who wish to benefit from intensive preparation for the IELTS test, which includes listening, speaking, reading and writing components. This full-time course provides 30 lessons per week, allowing participants the opportunity to maximise their development in each of the four language skills.

## **Intensive FCE Preparation Course**

The First Certificate in English, an established Cambridge English Language Assessment examination, is for people who need to use everyday spoken and written English for work and study purposes. Our 30 lesson per week course focuses on all five parts of the exam, covering techniques such as how to approach typical tasks, with special guidance on writing.

## **Intensive Courses plus Examination Practice**

These courses aim to raise your level of general English by providing 25 lessons per week of intensive English language study, combined with 5 lessons per week of practice for the examination of your choice: IELTS, TOEFL or CAE. Teachers will familiarise students with the format of the examination and will introduce strategies for dealing with typical questions.

### Business and Specialised Lessons

Your teachers, who have background knowledge of the subject of your choice, will use a wide variety of methods and materials, including authentic texts, documents and recorded material appropriate to your work. Role-play, student presentations, and guided and free discussion will improve your fluency and give you the realistic practice you need.

### Additional Study

Homework (written assignments, preparation and revision) is an integral part of the course. We also recommend that some time should be devoted to additional study in the multi-media learning centre, with computers, internet access, TV, DVD, reference books/materials and private study facilities. Free wireless internet access is also available on campus.

### Language Level for Entry

If you would like an indication of your English language level, you can take an online test before you enrol. This will be used as a guide and final acceptance is subject to our entry test held at the school. If you are not yet at the minimum level required, you will be transferred to the General English Programme.

In the absence of such notice, or if less than four weeks' notice is received:

## **Curtailed of a course**

### **(Excluding courses with reduced fees)**

Any refund due will be in the form of a credit towards any required extension of the amended course or towards any subsequent course with Anglo-Continental during the twelve months following the end of the

amended course. The credit is not transferable to any other person and no cash refund can be given.

The fee for the first week in homestay accommodation includes a non-refundable administration charge to cover the cost of selection, reservation and administration.

Any request to change or leave accommodation, either separately or in conjunction with the curtailment of a course, must be made to Anglo-Continental at least two weeks before the date of the proposed move and approved before the change is made. Failing this, accommodation fees are payable in lieu of notice. An administrative charge of £25 will be made for each request to change homestay family accommodation. Accommodation fees continue to be payable for any periods of absence during the course.

## **Photography, film, sound recordings and written work**

During our courses we sometimes take photographs, film footage and sound recordings, some of which may be incorporated into items such as, but not limited to, future publicity material, social media sites, tests and educational materials. Anglo-Continental will also not be held responsible for any delay in scheduled services of third party companies or if any service cannot be provided as specified. Any complaints, liabilities, losses or

damages arising should be submitted to the third party company concerned. It is the student's responsibility to take out personal insurance against all such risks, including inability to attend or continue a course and for the payment of medical expenses.
