Activities

When you choose ETC and Bournemouth as your study destination you will also be choosing one of the most beautiful locations in England!

Bournemouth is one of the most popular holiday destinations on the south coast of the UK and has over 7 miles of sandy beaches for you to explore in your free time.

Must See Locations

New Forest

Ancient hunting ground established by William the Conqueror in 1079, but 1000 years later is has changed very little - the wilderness, heath land and woods are still intact and wild ponies are a common sight.

London

The capital of England is one of the most eclectic cities in the world. Big Ben, Buckingham Palace, Trafalgar Square, shopping on Oxford Street; you may need more than one trip!

Durdle Door

Perfect for an afternoon walk in the summer. It has 3 fantastic beaches around it and you could even combine this trip with a visit to Corfe Castle for an afternoon to remember!

Corfe Castle

Corfe Castle is certainly a sight to see, rising out of the mist, jutting into the blue sky, or with water running down its walls. It is impressive no matter how many times you return to visit it.

Oxford

One of the most famous University towns in the world, steeped in history and full of stunning architecture. Most recently it was one of the locations for the Harry Potter films.

Bath

Known for its natural hot springs and 18th Century architecture, the rolling countryside of Bath promises visitors to the city a great day out. Today's visitors can soak in the waters at the Thermae Bath Spa.

Typical cost per full-day excursion: £30

Typical cost per half-day excursion: £25
