Useful information

VISAS FOR SPAIN:

- Citizens of countries belonging to the European Union do not need a Visa to enter Spain.
- Students coming from other countries should obtain information regarding the requirements for obtaining a **Visado (Visa)** at their nearest Spanish Embassy or Consulate. The certificates that accredit and confirm the enrollment in a Spanish program at Enforex can only be signed, sealed and sent by people authorized by Enforex, who will not be responsible for rejected visa applications, as these certificates do not hold any official validity, but serve only as confirmation of a course to be taken in one of our schools. Such documents will only be sent to cover the amount of course time initially contracted by the student. Enforex will send out, free of charge and to any student who asks for them, the following documents (if and only if the total cost of the program has been paid):
 - Confirmation of the Spanish program chosen by the student.
 - Invoice for the total cost of the program in question (course + accommodation).
- In the event that the student should urgently need the originals of any of these documents, Enforex will send them and charge the cost of the express mail to the student.
- If a student visa is rejected Enforex will charge the student 100 € per invitation letter sent, the 250 € deposit and any additional basic costs. The student must show Enforex formal proof (original copy) that their visa application has been rejected in order to receive the refund. If this copy is not received by Enforex, 100% of the cost of the program will be charged.
- Any refund from Enforex will have a 10% charge.

OPTIONAL INSURANCE:

- Students are not covered for any illnesses, accidents, loss of personal property (neither at their accommodation nor in or out of the classroom). Enforex recommends the use of optional insurance, which is available to all students who wish to purchase it.

AGREEMENT:

- Upon signing the registration form or paying the course fees, the student accepts all the conditions described above. If, under any circumstances uncontrollable by Enforex, the prices of accommodation go up, Enforex will notify the student ahead of time of said changes. This price list replaces the previously existing one and is valid from 1st January 2014 until 31st December 2014 for all programs taking place between these two dates.
