Our Teachers

Having a recognised diploma-level qualification in teaching English to speakers of other languages is a requirement for our year-round teachers. In addition to this, they will also have extensive teaching experience in a variety of professional areas. It is a minimum requirement that teachers have a recognised English language teaching qualification i.e Cambridge CELTA, Trinity College TESOL Certificate or equivalent. Teachers are also expected to have a degree level qualification.

Within our established long-term team, a number of teachers have Masters level qualifications, others have qualified teacher status (QTS) and some have specialist subject qualifications. Many of these teachers have positions of responsibility according to their areas of expertise.

Our Mission

Excellence in English language teaching, training and testing – putting the student first.

General English Programme

Our Intensive courses have been developed over many years of teaching experience. Innovative and communicative teaching methods are used and form the basis of our teaching. Our General English Programme offers a choice of courses for everyone who needs an improved level of English for academic, social or professional reasons.

Your choice of courses

When you enrol, you can select the number of lessons per week which suits you best, and the course duration which meets your needs. You can be sure that, whether you are a complete beginner, or whether you already have a good understanding of the language, there will be a class suitable for you.

- presentation and practice of new language
- rapid development of oral fluency, accuracy and conversation skills

If you follow a course of 25 lessons per week, you will have the additional benefit of language extension activities. If you follow a course of 30 lessons per week, you will have the benefit of language extension activities and the English for Success Programme.

Examination Programme

At Anglo-Continental, we have a long successful history in preparing our students for English language examinations, which are widely accepted in academic and commercial circles throughout the world. We provide courses in preparation for highly regarded examinations such as the International English Language Testing System (IELTS) and the University of Cambridge First Certificate (FCE).

Courses are designed to develop the necessary skills relevant to the particular examination and to present and practise language appropriate to the students' needs. Timed practice tests provide an idea of what it is like to work under pressure during a real examination.

IELTS Intensive Preparation Course

Recognised worldwide, IEITS assesses the language ability of candidates who need to study or work where English is the language of communication. Our comprehensive course is intended for those who wish to benefit from intensive preparation for the IEITS test, which includes listening, speaking, reading and writing components. This full-time course provides 30 lessons per week, allowing participants the opportunity to maximise their development in each of the four language skills.

FCE Intensive Preparation Course

The First Certificate in English, an established Cambridge English Language Assessment examination, is for people who need to use everyday spoken and written English for work and study purposes. Our 30 lesson per week course focuses on all five parts of the exam, covering techniques such as how to approach typical tasks, with special guidance on writing.

Examination Practice plus Intensive Courses

These courses aim to raise your level of general English by providing 25 lessons per week of intensive English language study, combined with 5 lessons per week of practice for the examination of your choice: IELTS, TOEFL or CAE. Teachers will familiarise students with the format of the examination and will introduce strategies for dealing with typical questions.

Programme Features

- Examination preparation and practice for IELTS, FCE, CAE, TOEFL and OET
 - Individual Tutorials with the teacher and the Course Coordinator
 - Free access to the multi-media learning centre

Role-play, student presentations, and guided and free discussion will improve your fluency and give you the realistic practice you need.

One-to-One Online Lessons If you wish to take online lessons before or after completion of your course please refer to pages 38 - 40.

Additional Study

Homework (written assignments, preparation and revision) is an integral part of the course. We also recommend that some time should be devoted to additional study in the multi-media learning centre, with computers, internet access, TV, DVD, reference books/materials and private study facilities. Vacation Programme

The Vacation Course consists of 20 lessons per week of General English language lessons.

Classes

Your son/daughter will study in a lively international atmosphere with others whose levels of English are similar. Your son/daughter will be taught by a team of two or three teachers, who encourage participation and interaction between members of the group - and English will be the only language used!

Lessons

Your son/daughter will receive a balanced programme which includes grammar, skills development, and vocabulary development. The classes will be learner-centred. This means that students will take an active part in the classes and will be expected to speak with and listen to fellow students in pairs or small groups.

Homework

Homework forms an integral part of the course.

Progress

Lessons will include a variety of activities including games, quizzes, pair and group work, which will enable the teacher to assess your son/daughter's performance on a weekly basis. If your son/daughter's class reaches the end of a level, a longer test will be given to see if your son/daughter is ready to progress onto the next level.

Excursions, Sports and Leisure Activities

A variety of excursions, sports and leisure activities are a key part of this programme. The excursion and activities are carefully chosen to support continuous language development and to encourage students to practise their English skills outside of the classroom with other international students.

Future Pioneers Programme

The Future Pioneers course is designed for mature, forward-looking teenagers (aged 16 to 17) who want to combine improving their language skills with preparing to take their place in the real world of higher education and work. Your son/daughter will follow 20 general English lessons per week

Your son/daughter will work in groups led by a team of teachers on two week-long projects that practise key skills including:
• Critical thinking

- Problem solving
- Basic business skills

Based on real business models, the topics encourage participation and interaction between members of the group and develop autonomy - with English being the only language used.

Your son/daughter will receive a balanced programme, which includes grammar, skills development and vocabulary development. The classes will be learner-centred. This means that your son/daughter will take an active part in the classes and will be expected to speak with and listen to fellow students in pairs and small groups. Homework will also form an integral part of the course.

Course Content

Lessons will include a variety of activities including games, quizzes, pair and group work, which will enable the teacher to assess your son/daughter's performance on a weekly basis. If your son/daughter's class reaches the end of a level, a longer test will be given to see if your son/daughter is ready to progress to the next level.

Excursions, Sports and Leisure Activities

A variety of excursions, sports and leisure activities are a key part of this programme. The excursions and activities are carefully chosen to support continuous language development and to encourage students to practise their English skills outside of the classroom with other international students.

Student travel insurance

For your protection and peace of mind you should have comprehensive travel insurance, which should include any possible cancellation or curtailment charges. Such insurance may be obtained through Anglo-Continental or your own travel adviser.

Anglo-Continental is partnered with Endsleigh to offer a bespoke insurance policy that is specifically designed for you while partaking on our courses. We are working together to ensure you have adequate Insurance for your course while in the UK and to provide complete peace of mind. If you are in the process of applying for a course or have already secured your place you may want to consider what level of insurance protection you have in place in case the worst were to happen. Taking out your travel insurance at the time of booking your course is a really good idea as cover for predeparture cancellation starts from the policy issue date. This means you'll have cover to recoup your costs if you have to cancel your course for an insured reason such as illness or serious accident preventing you from travelling. How much does it cost? £ 10 per week. For further information visit: www.anglocontinental.com/enrolment
