LEARN AND TRAVEL WITH YOUR PEERS

# STUDYING. DISCOVERING. EXPLORING.

## SPRACHCAFFE – THE EXPERTS IN GROUP TRIPS

With the experience of almost 40 years organizing group trips, we can help you plan yours to be exactly how you want it to be. Our schools will organize everything: first-rate language lessons, accommodation with host families, in hotels or residences food catering, and a wide range of activities. In short: at SPRACHCAFFE you can get everything in one place. Send us a list of services required, we would be happy to provide a quote.

## DISCOVER A NEW WORLD WITH OUR SEASONED TRAVEL EXPERT

City, beach, wilderness – what to see and experience is your choice. Our on-location travel experts help our students to really get to know the travel destination. We will show you the most beautiful places and the most interesting landmarks, and we will always be right by your side when you need us:

## ACCOMMODATION – HOTEL, HOMESTAYS OR RESIDENCE

Students who are visiting a foreign country may be more comfortable staying with a carefully screened and selected host family. Students who are more interested in experiencing the local culture and meeting new people may be happier staying in a hotel or residence. Arrivals & departures are usually on weekends: **1 week = 6 nights; 2 weeks = 13 nights (1 night for free)**

## NEW! BOOK YOUR FLIGHTS WITH US

Do you have trouble finding the right flight? We have the solution for you! No matter what your route is, our IATA agency, with many years of experience, will be more than happy to provide you with the most suitable option, whether you prefer the quickest connection or the best deal!

## LET'S GET TOGETHER – AND TALK

Students have a choice between Standard (20 lessons / week) and Intensive courses (30 lessons / week). Each lesson is 45 minutes. We also offer specialized workshops (e.g. Sales & Marketing, Society & Politics, Art & Literature or Business). Class size is 15 students – for smaller groups, a surcharge may apply. International classes on request. Included features: online placement test, certificate at the end of the course and educational material on loan.

## UNIQUE ADVANTAGE, LANGUAGE COURSES – ONLINE AS WELL!

At SPRACHCAFFE you have the opportunity to conveniently combine your trip with a language course. The lessons are taught without exception only by qualified teachers. If you have any specific wishes for your curriculum, we will gladly prepare lesson plans that are suited to your learning goals. Groups of students aged under and over 18 will not be mixed (1 lesson = 45 minutes).

## EXTRA-CURRICULAR ACTIVITIES – BALANCED AND VARIED

Our students enjoy the perfect combination of fun and learning. They can participate in engaging activities, e.g. sports events, visits to the museum, and historical tours, all while learning a new language and culture. You can choose between 3 different packages:

- **Package 1:** 4 activities + 1 full day excursion
- **Package 2:** 4 activities
- **Package 1 + 2:** 8 activities + 1 full day excursion
