Register a new student for a German Intensive Course 24+6 with Carl Duisberg Centren in Berlin, Cologne, Munich or Radolfzell and receive a 20% discount off the tuition fees.

The course system at Carl Duisberg Centren is based on the Common European Framework of Reference for Languages (CEFR). We help language learners succeed in best time by providing quality, intensive lessons using a tried-and-tested system. In addition to group language training (24 training units per week), the "Lernstudio" (6 training units per week) is a key component of the Intensive Course 24+6. Students may select from three options: learning supported by a tutor, workshops and projects.

Examinations

Tests are given on a weekly basis to monitor learning progress. During the language course, students may also take internationally recognized examinations for German as a Foreign Language, for example telc Deutsch B1–C1 (General Language, Healthcare, Medicine, Profession), TestDaF or telc Deutsch C1 Hochschule.

Accommodation

Homestay accommodation with German hosts and rooms in shared apartments are available in Berlin, Cologne, Munich and Radolfzell. Alternatively, we also have guest-houses in Berlin, Munich and Radolfzell.
