A Big Thank You to Chichester College!

THEMIS - Greece (General English 21 course)

"When I was 17, I was thinking about going somewhere to improve my English and to gain some experience abroad. The General English 21 course was exactly what I was looking for - learning English, preparing for an official certificate and being with a lot of other students from all over the world. I also liked the idea of being in a real English college with real English students.

The English classes are very good and the preparation classes helped me a lot with the exam, which I passed with a very good grade. I met great people from all over the world and will always look back at this experience as one of the nicest times of my life."

JENNY - Themis' Mother

"Themis met some great people, made good friends from all over the world and his English has improved a lot. He considers his time living at the Westgate Halls as one of his greatest experiences and felt sorry that he had to leave! So, a big thank you to Chichester College for the good care you gave him. A big thank you also to the host family, where he stayed for the first two months. They were great and took very good care of him. Please forward my compliments and regards to them, too. We will definitely recommend Chichester English Language School to all our friends."
