### CREDIT NOTES

- Credit issued due to exceptional circumstances is only valid for up to 12 months from the date of issuance. Once the 12 month period ends, the

Students wishing to change accommodation arrangements should notify the person in charge during their first day of the program.

- Enforex does not guarantee accommodation for the family members or friends of enrolled students, as priority regarding available accommodation is given to Enforex students.
- If a student decides that he/she wants to postpone or take a break from any program for unjustified personal reasons, he/she will lose any right to a monetary refund, and the course will not be made up.
- The student will be charged for property damages caused either intentionally or through negligence.
- If there is damage and no one is directly responsible, the cost of repairs will be divided among all students in the apartment or residence.
- At Enforex, respect for others and for the rules is essential for our programs to run smoothly. - The insurance is only valid anytime if you paid at the time of booking, before arrival.
- Any refund of the insurance amount will incur an extra cost of 9% (minimum of € 65 / \$ 90).
- The price of the course and accommodation will be charged for the week during which the cancellation is made if the student makes that cancellation on a Monday, otherwise both the week of cancellation and the following week will be charged.
- The cost of insurance will not be reimbursed.
- In order to cancel a language program, the student must give notice via e-mail to [seg@iegrupo.com](mailto:seg@iegrupo.com). The day after the e-mail is sent will be considered the day the course has been officially canceled. Cancellation is only valid once an e-mail has been received. For this reason it is important that the student is certain that the e-mail has been received. The money will be returned within 30 days of the official cancellation date.
- The insurance policy must be signed and paid in full upon enrollment in order to be valid. You can add extra services but not decrease the coverage.
- Students who require and have obtained their visa through Enforex can purchase the cancellation guarantee, however their cancellation will only be considered once the student provides proof of having left the host country. In these cases, 9% of the amount to be refunded will be charged to cover administrative costs.
- Only valid for Spain, Guanajuato, Oaxaca, Playa del Carmen in Mexico, Ecuador and Santo Domingo de Heredia in Costa Rica.

### USEFUL INFORMATION

#### VISAS FOR SPAIN

- Citizens of countries belonging to the European Union do not need a Visa to enter Spain.
- Students coming from other countries should obtain information regarding the requirements for obtaining a Visado (Visa) at their nearest Spanish Embassy or Consulate. The certificates that accredit and confirm the enrollment in a Spanish program at Enforex can only be signed, sealed and sent by people authorized by Enforex, who will not be responsible for rejected visa applications, as these certificates do not hold any official validity, but serve only as confirmation of a course to be taken at one of our schools. Such documents will only be sent to cover the amount of course time initially contracted by the student. Enforex will send out, free of charge and to any student who asks for them, the following documents (if and only if the total cost of the program has been paid):
- Confirmation of the Spanish program chosen by the student.
- Invoice for the total cost of the program in question (course + accommodation).
- In the event that the student should urgently need the originals of any of these documents, Enforex will send them and charge the cost of express mail to the student.
- If a student visa is rejected Enforex will charge the student € 100 per invitation letter sent, the € 210 / \$ 250 deposit and any additional basic costs. The student must show Enforex formal proof (original copy) that their visa application has been rejected in order to receive the refund. If this copy is not received by Enforex, 100% of the cost of the program will be charged.
- Any refund from Enforex will include a 9% charge + € 210 / \$ 250.

#### OPTIONAL INSURANCE

- Students are not covered for any illnesses, accidents, loss of personal property (neither at their accommodation nor in or out of the classroom). Enforex recommends the use of optional insurance, which is available to all students who wish to purchase it.

#### AIRPORT SHUTTLE SERVICES

- Flight information (place, date, hour and flight number) must be confirmed in writing at least one week prior to arrival. Otherwise, Enforex will not be held responsible for picking-up the student at the airport and there will be no refund.
- If the student cancels airport shuttle service less than one week prior to arrival, he/she will lose the right to a refund of the cost of that service.
- In the event of delays or changes in flight information without previous notification, Enforex will not be held responsible for picking-up the student at the airport and there will be no refund.

#### HOLIDAYS

- Please check for updated holiday information before planning your trip to Spain (see page 16). [www.enforex.com/holidays/spain.html](http://www.enforex.com/holidays/spain.html)
- Classes missed due to national or local holidays will not be made up or refunded. When more than one holiday falls in the same week (Monday - Friday), either one day of the missed classes can be made up or a 10% discount will be applied to the corresponding course week price; if students prefer to receive the discount they must notify us at the time of enrollment. One-to-One classes will always be made up.

#### AGREEMENT

- Upon signing the registration form or paying the program fees, the student accepts all of the conditions described above. If, under any circumstances, uncontrollable by Enforex, accommodation prices increase, Enforex will notify the student ahead of said changes. This price supersedes the previously existing price and is valid from January 1, 2018 to December 31, 2018 for all programs taking place between these two dates. Enforex is not responsible for typographical errors and/or misprints contained in this price. Printed in August 2017 and subject to change.
