REFUND POLICIES - CANADA

TUITION REFUND POLICY FOR GV VANCOUVER AND GV VICTORIA *

A student may be entitled to a refund of tuition fees in the event that:

- 1.a The student provides written notice to the school that he or she is withdrawing from the program; or
- 1.b The school provides written notice to the student advising that the student has been dismissed from the program.
1. The written notice of withdrawal or dismissal may be delivered in any manner provided that a receipt or other verification is available that indicates the date on which the notice is delivered.
2. The notice of withdrawal or dismissal is deemed to be effective from the date it is delivered.
3. The refund to which a student is entitled is calculated on the total tuition fees due under the contract. Where total tuition fees have not yet been collected, the school is not responsible for refunding more than has been collected to date and a student may be required to make up for monies due under the contract.
4. If the school has received fees in excess of the amount it is entitled to under the student contract, the excess amount must be refunded.
5. Refund policy for students before the program of study starts:
 - 5.a If written notice of withdrawal is received by the school within 7 days after the contract is made, and before the commencement of the period of instruction specified in the contract, the school may retain 5% of the total tuition and fees due under the contract to a maximum of \$250.
 - 5.b If written notice of withdrawal is received by the school 30 days or more before the commencement of the period of instruction specified in the contract and more than 7 days after the contract was made, the school may retain 10% of total tuition only due under the contract to a maximum of \$1000.
 - 5.c Subject to Section 6(a)(1) above, if written notice of withdrawal is received by the school less than 30 days before the commencement of the period of instruction specified in the contract, and more than 7 days after the contract was made, the school may retain 20% of the total tuition only, due under the contract to a maximum of \$1300.
6. Refund policy for students after the program of study starts:
 - 6.a If written notice of withdrawal is received by the school or a student is dismissed before 10% of the period of instruction specified in the contract has elapsed, the school may retain 30% of the tuition due under the contract.
 - 6.b If written notice of withdrawal is received by the school, or a student is dismissed after 10% and before 30% of the period of instruction specified in the contract has elapsed, the school may retain 50% of the tuition due under the contract.
 - 6.c If a student withdraws or is dismissed after 30% of the period of instruction specified in the contract has elapsed, no refund is required.
7. Where a student did not meet the school's specific minimum requirements for admission through no misrepresentation or fault of their own, the school must refund all tuition and fees paid under the contract, less the applicable non-refundable student application or registration fee.
8. Refunds owed to students must be paid within 30 days of the school receiving written notification of withdrawal and all required supporting documentation, or within 30 days of a school's written notice of dismissal.

* In Accordance to the Guidelines of the Ministry of British Columbia.

TUITION REFUND POLICY FOR GV TORONTO AND GV CALGARY

The Registration Fee is non-refundable at all times except in the case where the student visa has been rejected, where a partial refund is available (see section 3).

To apply for a tuition refund, the student or agent must submit a written notice of withdrawal no later than 30 days after the start date specified on the letter of acceptance. There are no refunds for classes missed due to holiday, graduation, orientation, and/or other situations beyond the school's control.

In this policy, the word "program" refers to the full cycle of studies to which the student registered. All refunds apply based on the assumption that the full payment has been received.

1. Effective before the start date
 - 1.a If a student cancels 30 days or more before the start of the program, the school will retain 25% of the fees due under the contract and refund 75% of the fees to the student.
 - 1.b If a student cancels less than 30 days before the start of the program, the school will retain 40% of the fees due under the contract and refund 60% of the fees to the student.
2. Effective after the start date
 - 2.a If a student cancels (or is dismissed) within 5 calendar days of the start date of the program, the school will return 50% of all unused tuition fees paid under the contract.
 - 2.b No refund will be paid if a student cancels (or is dismissed) when more than 5 days of the program have been completed.
 - 2.c Refunds on postponed starting dates are based on the original start dates (applies also to students transferring from one GV school to another).

PROGRAM CANCELLATION OR REDUCTION POLICY

3. Program Cancellation or Reduction Administration Fees
 - 3.a A program cancellation or program reduction fee of \$110 will be applied when students cancel or reduce the number of weeks they wish to study after they receive their original letter of acceptance.
 - 3.b Should a student visa be rejected by a Canadian Embassy, the rejection letter should be submitted to the school. On receipt of the official rejection letter, the institution will refund all tuition, registration and refundable accommodation fees paid, less \$85 for administrative costs.

HOMESTAY REFUND POLICY

4. If written cancellation notice is given 12 weeks or more before beginning of homestay, all money will be refunded including Homestay Placement Fee.
5. If written cancellation notice is given less than 12 weeks before beginning of homestay, all money will be refunded except for the Homestay Placement Fee.
6. For after commencement of Homestay:
 - 6.a The student should inform the GV Homestay Office in writing three weeks before the end of the homestay period if he/she decides to terminate the agreed homestay period. If the notification period is less than 3 weeks, then in addition to the non-refundable notification period, a \$150 cancellation fee will apply.
 - 6.b If the host family has failed to meet the Homestay conditions, the student will be moved to another Homestay, and there will be no refund given for the period of homestay already used.

All policies subject to change. Please check www.gvenglish.com for updates.

REFUND, TRANSFER AND ADMISSIONS POLICIES - HAWAII

GENERAL REFUND POLICY

- In this policy, the word “program” refers to the full cycle of studies to which the student registered. Extensions of studies will be treated separately.
- To be considered for a refund, a student or agent must submit a completed Cancellation Form or notify the school in writing of the cancellation by some other means.
- For any study program changes resulting in a decrease in the number of English lessons per week (e.g. 20 lessons/week to 16 lessons/week) after enrollment has begun, there will be a one time study program change fee of \$110.
- For the Teen Activity Program and other specialized Activity Programs [e.g. Study tours, English Plus, etc.], there are no refunds for homestays, activities, airport transfers, or excursions, but only for tuition that is offered as per the normal Cancellation/Withdrawal policy [see below].
- There are no refunds or make-up classes for classes missed due to holidays, graduation, orientation, natural disasters and/or other situations beyond the school's control.
- If Global Village Hawaii cancels a program that a student registered for, and proficiently placed into, Global Village Hawaii will refund all monies paid by the student. If the student came through an agency, Global Village Hawaii will check with the student's agency for any other fees that they may assess.
- If a student is dismissed from school for violating school policies, Global Village Hawaii may retain all of the charges for the student's study program.
- It is understood that students who register through travel agents have signed contracts with these agents that may include cancellation penalties, no refund policies, or home country refunds only conditions. In all cases regarding agent-sent students, Global Village Hawaii will confirm the conditions of agent-student contracts with travel agents before issuing any refunds.
- Textbook fees will not be refunded once the books have been issued to the student. If a student has the same edition of textbook(s) from previous studies, the student may request a refund for the new textbook(s). The request must be made within the first week of studies. No refunds will be given beyond this period.
- Refunds are issued within 45 days after the date of receipt of the written notice of cancellation (which is the date of determination). Refund amounts for cancellations after the start of the student's program will be calculated based on the last day of attendance, as per section 12 below. If the student came through an agency, the agency may have other restrictions or fees. Global Village Hawaii will contact the student's agency and let the student know of any other conditions.
- Cancellation/Withdrawal of Enrollment before the student's program start date or never attended class (no show):
 - Global Village Hawaii will refund all monies paid less the non-refundable fees: registration fee, accommodation placement fees, any actual housing costs incurred (including deposits) by Global Village Hawaii, express mail fees, and SEVIS related fees. However, if a student cancels within 72 hours of submitting the registration, Global Village Hawaii will refund ALL monies paid less non-refundable accommodation deposits, express mail fees and SEVIS related fees, if applicable. An amount not to exceed \$500 in identified non-refundable charges may be charged in the event of a student's cancellation.
 - Students Denied Visa/Entry: A student denied a student visa or entry into the United States will be given a full refund of all monies paid less non-refundable accommodation deposits, any actual housing costs incurred by Global Village Hawaii, express mail fees and SEVIS related fees, if applicable. An amount not to exceed \$500 in identified non-refundable charges may be charged.
- Cancellation/ Withdrawal of Enrollment after the student's program start date:

For all cancellations, students must notify Global Village Hawaii by completing a Cancellation Form or notifying the school in writing of the cancellation by some other means. If a student does not notify the school that he/she is withdrawing, Global Village Hawaii will check attendance records and if the student has been absent for more than 10 consecutive class sessions, the student will be dismissed from school and the student's I-20 Form will be terminated. Global Village Hawaii will calculate the student's refund (if applicable) based on the last day of attendance. Any money to be refunded will be mailed to student's home address or to their travel agent.

The following calculation is made for tuition and specialized programs:

 - No refunds will be given for the first 4 weeks of the student's study program.
 - For students who cancel/withdraw after the first 4 weeks but before or at the midpoint of the student's study program, Global Village Hawaii may retain a prorated amount of tuition. For students who withdraw after the midpoint, Global Village Hawaii may retain all of the charges for the student's study program.
 - Prorated refunds will be calculated on a weekly basis. When determining the number of weeks, Global Village Hawaii defines a partial week as if a whole week were completed, provided the student was present at least one day during the scheduled week.
 - Students who cancel/withdraw after completing the initial study program, but before or at the midpoint of any subsequent study program, GV Hawaii may retain a prorated amount of tuition up to the midpoint. For students who cancel/withdraw after the midpoint of any subsequent study program, GV Hawaii may retain all of the tuition for that study program.
 - Refunds due students may not be applied toward future tuition fees.

The student should bring their I-20 Form, SEVIS I-901 receipt and other documents required by the U.S. Embassy. Global Village Hawaii will also send an invoice of the remaining balance and a letter of acceptance by email or fax confirming the registration. The original copy may be mailed upon request.

Payment may be made by credit card, wire transfer, money order, or bank draft. Additional bank charges may also apply. Student visas may take two months or more to process.

LEAVE OF ABSENCE POLICY

Global Village Hawaii students must request a leave of absence by completing and signing the Leave of Absence Request Form at least 5 working days prior to the start date of the leave of absence (LOA), unless unforeseen circumstances prevent the student from doing so. The students must specify a reason for the leave on the LOA Request Form and date the LOA request. Approval of the LOA will be documented by the Student Services Manager's signature on the LOA Request Form and a copy of the form will be made available to the student. If the student does not report to school at the end of the LOA, he/she will be dismissed from school and student visa holders will have their I-20 form terminated based on the last day of attendance. The Global Village Hawaii Cancellation Policy will be applied based on the student's last day of attendance. Students requesting a LOA normally do not receive a refund for the period of the leave and there will not be any additional charges as a result of the LOA.

Global Village Hawaii approves written requests for Leave of Absence (LOA) of up to 4 weeks for students who are in good standing and have studied for 20 consecutive weeks. LOAs are approved in weekly segments from Monday to Friday. Students in good standing are defined as students who are not on probation or have a Student Learning Plan (SLP). Students in long-term programs such as the Academic Year Program and Semester Gap, which have vacations or leaves of absence already built into the program, will not be eligible to take additional leaves of absence. Accrued LOA must be used within a year of being earned.

Emergency leaves of absence may be granted due to:

- Medical Leave:** Students needing medical attention for illness or health conditions may take a LOA of two weeks or more and must provide a doctor's note upon return from their leave of absence. Failure to bring a doctor's note will result in marking the days missed from school as absent.
- Family Emergency:** Examples include but are not limited to death of a family member; severely ill or hospitalized family member; or other events determined applicable. Special exceptions can be made for non-family members depending on the type of relationship with the student.

Students will need to see the Assistant Director/Student Services Manager for approval of their requested leave of absence. Any approved leave of absence may consist of multiple leaves of absences provided the total leave does not exceed 90 calendar days in a 12 month period or 50% of the student's program length, whichever is shorter. Students requesting an extended leave of absence of more than 4 weeks may require retesting via the Proficiency Test upon return from the leave of absence.

The length of the leave of absence may be extended provided all the conditions above are met. To extend, a written request must be given to the Student Services Manager for his/her signature and approval prior to the end of the current LOA. A copy of the form will be provided to the student either upon his/her return to school or by email or fax.

Prices: All registrations for studies in 2017 received prior to January 16, 2017, will be charged the 2016 rate for tuition. This policy does not apply to alternative accommodations.

Application Process: A letter of acceptance will be issued upon receipt of the completed registration form and a payment. Please check with the school on payment policy. The original copy may be mailed, faxed, or emailed upon request. The school is not responsible for any extra courier charges.

Minors: Students under the age of 18 (under 19 in Victoria + Vancouver) must have their application co-signed by a parent or legal guardian. Underage students must submit underage agreements signed by their parents. Custodianship may also need to be arranged.

Payment: Students may be required to pre-pay tuition fees when applying for student visas. Check with school and local consulate or embassy on payment methods and any other requirements. Payment may be made by credit card, wire transfer, money order, or bank draft. Additional bank charges may also apply.

Refunds: Check fee sheets and our website for individual school policies. To be considered for a refund a student must submit a written notice of withdrawal to the school. The date of receipt of the written notice determines which cancellation charges will be applied.

Changes and availability: Start dates, programs and course content may change at any time and without prior notice. The fees, dates and conditions listed in this brochure are subject to change at any time and without prior notice. Please check website for up-to-date information. All courses are available based on enrollment.

Responsibility: Global Village and its member schools accept no responsibility whatsoever for any loss or damage to the personal belongings or property of a student or program participant or for any injury to or death of a student or program participant occurring on or off school property.

Students must comply with the rules of the school. Failure to do so may result in dismissal without refund.

Directors must receive a written description of all complaints. Please check with the school regarding a complaint resolution procedure.

Medical insurance: Canada
Sufficient medical insurance must be obtained before arrival. \$500,000 minimum coverage strongly recommended.

Medical insurance: United States
Global Village Hawaii strongly encourages all international students 18 years or older to have a health insurance policy at the time of enrollment. Proof of a health insurance policy for students under 18 years old is required prior to enrollment. A student may also buy insurance for any family members (husband, wife, or a child) who are in the United States. Global Village Hawaii will provide upon request an array of medical insurance providers for international students to choose from. For more information about health insurance and how to obtain health insurance, you may contact the Student Services Manager or visit the following website to view a list of NAFSA approved health insurance providers at <http://www.nafsa.org/resourcelibrary/default.aspx?id=8823>.
