NEW COLLEGE GROUP

www.newcollegegroup.com

My overall experience at New College Group was very nice and the workers here are very polite and friendly. The thing I liked most about New College Group was the trips and good teachers. In the first days when I moved from Brazil it was so difficult but after I have started to like it... I'm already missing Manchester!

WELCOME

At New College Group (NCG) we love helping our students improve their English skills and supporting them as they make progress towards achieving their dreams.

We always do everything we can to make sure our students have an amazing time, make new friends from all over the world and get the best educational and cultural experience we can provide.

and a great reputation for their friendly people and fascinating histories, so I'm sure you will have a wonderful experience when you come to study with us.

We have two impressive schools in Manchester and Liverpool with a motivated, professional and friendly staff team. Both Manchester and Liverpool are famously vibrant student cities, with lots of personality

It's our privilege to welcome you to NCG and we look forward to meeting you soon in one of our schools.

INTRODUCTION

NEW COLLEGE GROUP (NCG)

CONNECTING THE WORLD THROUGH ENGLISH

At NCG we live by our vision, brand and values, which is why we developed two purpose-built state of the art schools in the UK's most vibrant student capitals, Manchester and Liverpool. Our schools encompass both our dynamic brand and our commitment to providing the highest quality English education. With unique student focussed graffiti, IWB's in every classroom and the latest technology in education it is no secret that we want to provide students with the ultimate learning experience!

WHY STUDY AT NCG

QUALIFIED TEACHERS:

Amongst NCG teachers are Delta qualified and MSC qualified teachers. They are all certified to teach the English language, which is why they are able to develop students to their full potential as a confident user of English.

WE MONITOR PROGRESS:

Throughout a student's English Course, they will have tutorials with their teacher and weekly tests. Meaning that, their progress will be monitored and recorded so that we can ensure that students are continuously improving.

WE THINK ABOUT YOUR LEARNING NEEDS:

We use a wide range of methodologies, technologies, and materials; including 'real English' materials, and resources to provide interesting and exciting lessons that meet your needs.

TEACHING METHODOLOGY

At NCG we pride ourselves on taking a collaborative approach to teaching and learning. Our teaching staff involve students in every step of the learning process; throughout their time at the school. Our aim is for all of our students to achieve both their short term and long term goals, by equipping them with the skills they need to become successful learners.

WE ACHIEVE THIS BY...

- Employing a variety of teaching methodologies, to allow for different learning styles and abilities
- Using a wide range of course books and supplementary materials to support learning
- Providing ongoing assessment of progress, feedback and tutorials; enabling students to improve in all areas and skills
- Incorporating a wide range of educational technology and media into lessons
- Providing a Guided E-Learning Platform which supports the teaching in class, and enables students to take charge of their own learning

NGC EXCEEDS EXCELLENCE

Our 2016 inspection found that NCG exceeds expectations for the quality of education and standards for Educational Change, work, staff and quality to excellent. To read the full report, please go to the accreditation section of our website.

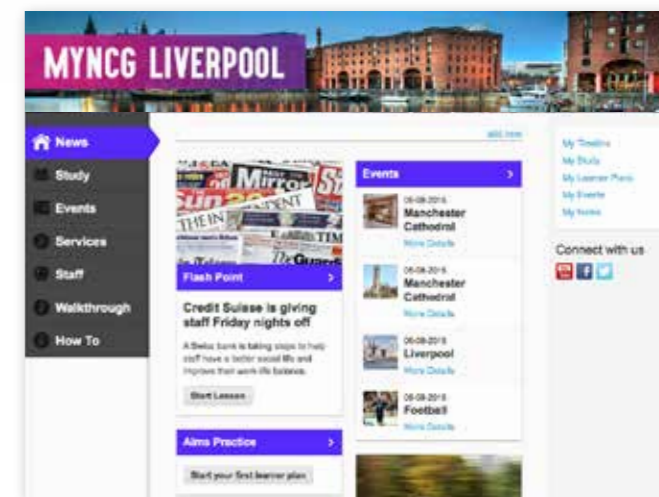

My NCG

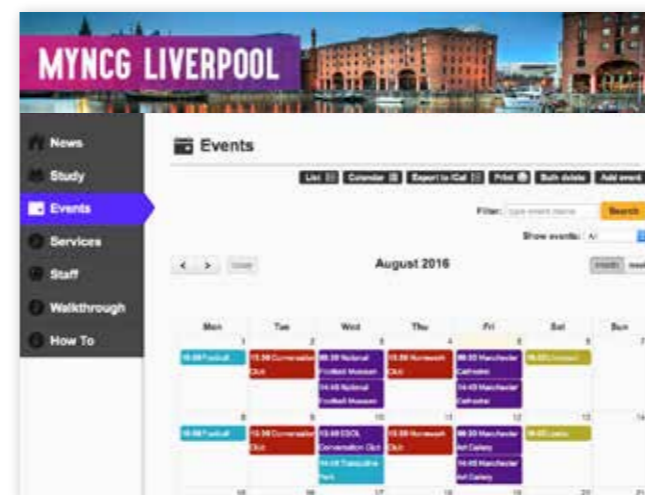

As part of the NCG package every student gets access to free online resources from the moment they book until three months after they leave. This is completely free of charge. Students are sent a login and are then able to start practising their language skills and also do their placement test prior to arrival.

THROUGH MYNCG YOU CAN:

- Plan your study calendar
- Study at home using the extra materials available for your level
- Connect with other students and share content via Facebook and Twitter
- Register for our social and extra-curricular activities
- Request a holiday, extend your course or ask for a letter for the bank, police station etc.
- Login to enhance your study plan and make the most of your studies at NCG!

COURSES

" EDUCATION IS THE MOST POWERFUL WEAPON WHICH YOU CAN USE TO CHANGE THE WORLD "

Nelson Mandela

The way I would describe my overall experience at New College Group was it was an interesting and cultural experience where I was able to meet people from different countries.

I like the city of Manchester and there are many interesting activities to do. The thing which I liked most about New College Group was it was a friendly environment.

GENERAL ENGLISH

Choose how many hours a week you would like to study:

GENERAL ENGLISH COURSE

15 hours (develop your core language skills).
We monitor your progress.*

INTENSIVE ENGLISH COURSE

20 hours (additional skill classes focus on key skills).
We think about your learning needs.*

SUPER INTENSIVE ENGLISH COURSE

25 hours (choose the skills classes that you want to specialise in).
We focus on pronunciation.*

Our General English courses aim to improve your ability to use English by developing your core language skills – speaking, listening, writing and reading. As well as developing your English skills for international communication, we also include lots of natural English, drawing on the local area and British culture.

A large part of language development is confidence; this is why we designed our lessons to build your confidence and provide you with lots of opportunities to use the English you are learning.

WHY STUDY GENERAL ENGLISH?

- You want to be able to communicate confidently in all contexts
- You want to be able to communicate with people from all countries and cultures

"YOU ARE NEVER TOO OLD TO SET ANOTHER GOAL OR TO DREAM A NEW DREAM"

C.S. Lewis

I would describe my overall experience at New College Group as fantastic. After being studying at NCG for 8 months, the huge range of activities, the interest on e-learning systems, a multicultural atmosphere and kind people are the most memorable features of NCG.

NCG is the best school in Manchester and is a very good option to improve and develop your language skills because of the atmosphere of the city and the charm of the 'Mancunian' people.

BUSINESS ENGLISH

Studying the Business English Course at New College Group will equip you with the skills needed to function effectively in international business situations. This course will help you boost your employability, enabling you to get the English language skills you need to access the best jobs. This course will develop your Business English terminology through all four language skills (reading, writing, listening and speaking) in a business context.

My overall experience at New College Group was very good and exceeded my expectations. I did like the interactive lessons and the availability of the teachers to help us with our weak points in language. I would recommend New College Group to my friends. First I think we pay a fair price. Second because of the good teachers and finally because of the location!

Janice Saraiva - (Angola)

ACCOMMODATION

By living in residential accommodation, you will be living amongst students from all over the world! Our residential accommodation providers are near to NCG campuses and are perfect for someone looking to make new friends whilst enjoying independence during their studies. If you choose to book residential accommodation, you will receive confirmation of your residence two weeks before your course start date.

RESIDENTIAL ACCOMMODATION

MEET NEW PEOPLE

NCG's students have come from more than 63 nationalities, therefore you will get the opportunity to meet students from many different countries and cultures.

ENJOY YOUR INDEPENDENCE

If you enjoy being in a student residence environment where you are able to cook your own food, invite people over for dinner or just generally like doing your 'own thing', then this option is definitely for you.

CONVENIENTLY LOCATED

We always make sure that our residential accommodation providers are located as close to the NCG campus as possible to ensure that travelling to and from the college is as easy as possible.

SHARE YOUR GOAL

You will be living in the same residence as students that all share your goal, to speak English! This is a great opportunity to practise and achieve your goal together.

At NCG you can choose to live in homestay accommodation, which offers you 'a home away from home', or you can choose one of our residential accommodation providers and live amongst students from all over the world! Wherever you choose to live, you can feel confident that we will ensure that you are in a safe, secure and friendly environment.

HOMESTAY ACCOMMODATION

'A HOME AWAY FROM HOME'

Living with a British homestay host is the best way to get a deep insight into British culture and to practise your English language skills. Many of our students develop great relationships with their hosts and their homestay truly becomes a 'home away from home'.

PRACTISE, PRACTISE, PRACTISE

By living with native speakers, the only language that you will speak at home is English. Not only will you get the opportunity to practise everything you learn in the classroom, you will also learn how to speak English like a native speaker.

A HOMELY ENVIRONMENT

Living with a homestay host is a comfortable and relaxing experience where you will be able to study without any distractions.

LIVE BRITISH CULTURE

You will be living as a British person whilst staying with your homestay host. You will take part in every-day activities with your host family such as: eating, home activities, shopping and sometimes day trips.

WHAT TO EXPECT FROM YOUR HOMESTAY?

- Single room or a shared room if requested
- Breakfast and evening meal during the week, full board (all meals) at the weekend
- Shared bathroom
