DIRECTIONS:

The left column is the number of hours each week a student wants to study.

The other columns are the number of weeks a student wants to study, 8 through 1.

Sometimes students want to study part-time (on a tourist visa, for example) and/or for fewer than 8 weeks (1 session).

EXAMPLES:

1. If a student wants to study 10 hours/week for 4 weeks, the cost is \$ 824
2. If a student wants to study 12 hours/week for 6 weeks, the cost is \$ 1360
3. If a student wants to study 16 hours/week for 3 weeks, the cost is \$ 927
