# ATLAS JUNIOR MALTA

**DATES: 4 July - 1 August 2021**

Atlas Malta is located in Pembroke on the outskirts of St Julian's, a picturesque seaside town on the east coast of Malta with stunning views onto the Mediterranean sea.

Our campus boasts excellent facilities including 10 bright and spacious classrooms, a fully fitted cafe, study room and stunning sea views!

Our fun and challenging lessons focus on developing students' English fluency and accuracy through classroom themes that link into students' real lives and interests. Content and activities are tailored for the age of our young learners.

The accommodation is a hotel in twin and triple rooms, only 10 minutes from the school by bus, and there is an Atlas staff member staying in the hotel. Students are brought to the school by Atlas' private coach and dropped back to the hotel in the evenings after their excursions. This means there is no need for use of public transport which creates a safer environment for the students travelling to and from the school.
