

Study Semester Experience

2024

Course Outcomes

This language and skills course will ensure you:

- Work towards the level of English you need to meet your academic and professional goals
- Can achieve exam success in your IELTS exam
- Can communicate effectively and confidently using every day English
- Can demonstrate your employability on paper and in interviews
- Create a digital portfolio for independent learning and goal setting
- Immerse yourself in British culture while being able to communicate across cultures with ease
- Improve your use of digital tools in English
- Develop the 21st Century skills you need to excel in your current and future goals

Take your English further with BSC's Study Semester Experience. For those who wish to explore their future academic and career opportunities in English, while fully immersing themselves in British life and culture. This programme can also prepare you for the IELTS exam that can be used to demonstrate your English level to employers and academic institutions.

This long term study option is made up of English Language Training core modules, with afternoon electives in areas that will improve your employability and 21st Century Skills, as well as prepare you for a bright future in education and professional environments.

Course Schedule

- **Course Length:** 24 weeks study
(plus 2 weeks study break, which can be taken pre, post or during your studies, with prior arrangement)
- **Start Date:** Any Monday

Core Modules

English Language Training: an integrated skills class focusing on the main skills of language teaching; reading, writing, speaking and listening, integrating the language systems grammar, vocabulary, pronunciation and discourse. One daily lesson dedicated to Speaking & Listening skills, centred around UN Sustainable Development Goals and related topics.

IELTS Preparation: prepares you for all IELTS exam papers (speaking, listening, reading, writing) looking at skills and strategies that will help you achieve exam success

Skills for Academic and Career Success (25 and 30 lessons bookings only): this pioneering afternoon course helps develop the 21st Century Skills identified by higher education establishments and employers from across the world as essential for success in academic and professional contexts. Using English, you will work on projects and improve your problem solving, creativity, digital competence, critical thinking and teamwork, preparing yourself for the next step in your journey, whether that be work or further study.

If you wish to prepare for your IELTS exam during your course, we recommend the following:

- English Language Training: 16-18 weeks
- IELTS Preparation: 6-8 weeks before your exam
