GE15 General English (15 hours per week)

The General English course is structured to provide systematic practice and improvement in the core language skills of speaking, listening, reading and writing. It is open to students from beginner to advanced level and focuses on a communicative approach to learning. The classes are fluency based, improving the communication skills of each student.

GE20 General English Plus (20 hours per week)

This semi-intensive English course offers 15 hours of General English per week plus an additional 5 hours of speaking practice and conversational skills. This is one of our most popular courses and helps students prepare for using English in everyday life, work, and travel. This course is available in the morning or afternoon to suit your needs.

GE30 General English Intensive (30 hours per week)

Our Intensive Course will quickly help you progress to be able to communicate easily and confidently in English. You will for study 3 hrs in the morning and 3 hrs in the afternoon each day. The course is focused on helping you develop your English skills through a variety of useful and engaging materials and activities.

EX20 Exam Preparation and Business English (20 hours per week)

Our Exam Preparation and Business English courses offer 15 hours per week of General English lessons plus 5 hours per week of specialized language training in your chosen field (IELTS, Cambridge or Business). Small classes and expert teachers mean that you will quickly reach your goals whilst studying in the General English classes ensures you have a rounded educational experience.
