COURSES

General English (15 hours per week)

Put a focus on improving your speaking, listening, reading and writing. Open to students from Beginner to Advanced and can be taken in the Morning or Afternoon.

This is the basic general English class aimed at improving your overall English ability through a communicative approach.

Examination Preparation

IELTS and Cambridge exams are the most common exams taken by our students, and carefully structured courses are tailored to ensure detailed preparation for these exams.

General English (20 hours per week)

Add an extra hour of speaking classes each day to your 15 hours course. Includes the full general English course plus a speaking class led by one of our teachers.

A great way to improve your speaking when you first arrive.

General English Intensive (30 hours per week)

Study in the morning and afternoon. Different materials are used in each class to ensure you get a variety of content. Good for students who need to improve quickly or are here for short breaks.
