High School Programme

We have over 21 years' experience in offering our High School Programme and take pride in placing students in top public and private schools around Ireland. We organise and supervise students' High School Programme from start to finish, taking care to place students in the best school for them. Visa and Immigration Guidelines

All non-EU students should check with their nearest Irish Embassy / Consulate, to confirm if they need a visa to study in Ireland. Students can also check on the Irish Naturalisation and Immigration Service (INIS) website. All non-EEA and non-EU students must register with the Garda National Immigration Bureau (GNIB) in Dublin, to get permission to remain in Ireland for more than 90 days.
