The Premium Intensive & Semi-Intensive English Program

Our Zoni Premium Intensive & Semi-Intensive English Programs offer an approach to language instruction which integrates four key skills: speaking, listening, reading and writing. Specific courses under these programs also include the incorporation of pronunciation, vocabulary building and conversation activities using grammar in context. Extra-curricular academic activities such as field trips and film showings are provided to enhance and reinforce English proficiency outside the classroom. With a choice of schedules, students can build class time around their own interests. Whether you are coming to the USA for business or pleasure we have the program for you!

I Beginner

Courses provide learners with basic communication skills and English grammar. They learn to construct simple to complex sentences and develop vocabulary skills to be able to participate in small group discussions.

II Intermediate

Courses develop learners' awareness of the relationship of grammar to meaning. Students participate in big group discussions and practice giving short talks. They develop fluency in speaking and writing.

III High Intermediate

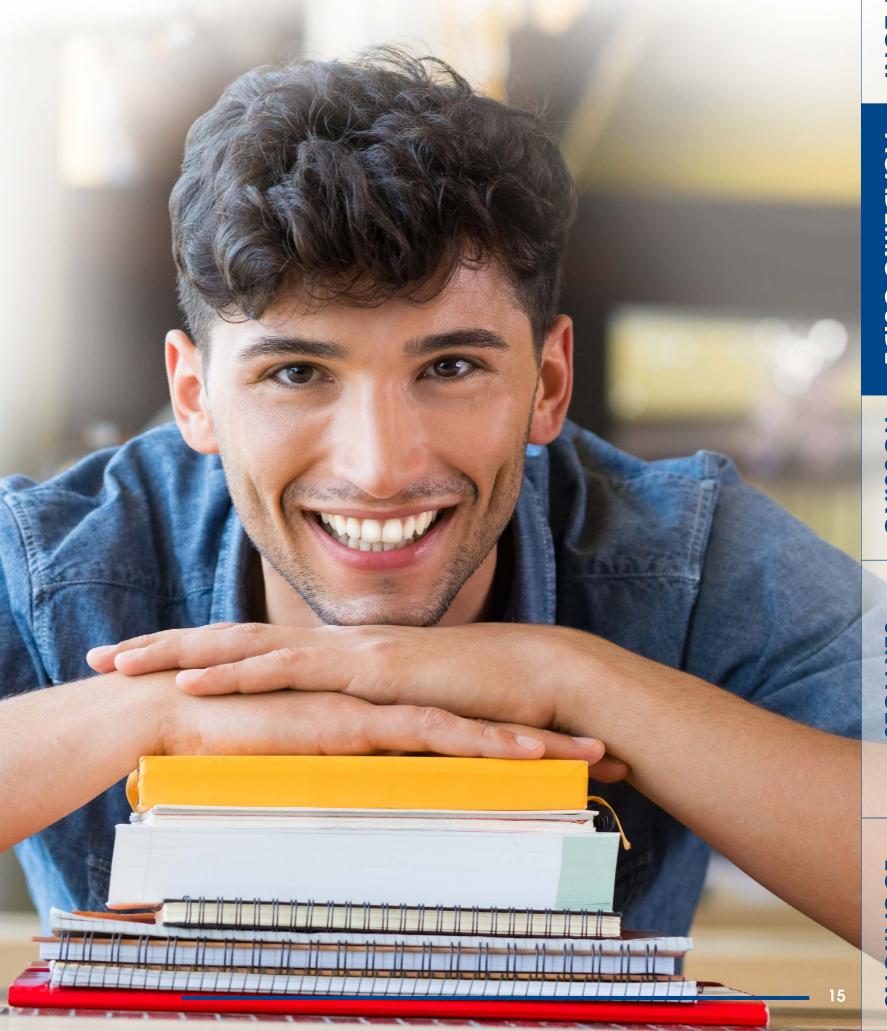

Courses enhance learners' ability to communicate with and understand English speakers. Students increase grammatical accuracy in writing and speaking and develop reading comprehension.

IV Advanced

Courses further develop learners' fluency in speaking, reading, listening and speaking. Students attain a high command of vocabulary words and idioms to help them participate in class discussions. They acquire a stronger grammar foundation, develop their ability to react to readings and enhance active listening skills.

Course Input

This program is ideal if you want to improve your English skills in a short amount of time and study, from 1 to 48 weeks. Your lessons will focus on improving your confidence and your speaking and listening skills. After you take a General English course at Zoni, you should be able to speak with greater confidence; possess an increased vocabulary handed your listening, reading and writing skills; have a greater understanding of the grammatical structure of English.

Examination Courses

These courses can either be taken on their own, or as part of an international academic year. The program will include test skills and methods for your chosen examination and will also help you improve your listening, speaking, reading and writing competences. By the end of any exam preparation course at Zoni, you will be able to take an internationally distinguished exam. Our Examination Courses offer you preparation for a choice of internationally recognized English examinations including IELTS, TOEFL iBT® and Cambridge (PET, FCE, CAE, CPE).

Intensive IELTS Preparation Course

The International English Language Testing System (IELTS) was developed for international markets and has rapidly become one of the leading tests for higher education, immigration and employment around the world. This course helps learners develop detailed knowledge of English skills and strategies needed for success to pass the IELTS exam. It includes vocabulary and grammar tasks,skill-building, and exam practice. There are four modules, each with its own corresponding exercises,tasks, and practice tests. The program consists of two sessions, four weeks per session and four hours a day, Monday through Friday.

Intensive TOEFL iBT® Program and Courses in New York

The Test of English as a Foreign Language (TOEFL iBT®) is the standard among American colleges and universities to assess the English level of non-native students. This course prepares students to take the TOEFL iBT® . It provides a comprehensive review of all the components needed for the TOEFL iBT® , including written structures (grammar), reading comprehension, listening comprehension and essay writing. Students learn techniques and strategies to maximize their test results. Practice TOEFL iBT® tests are a regular part of the course. Ten weeks with four hours of instruction per day, Monday through Friday.

Cambridge ESOL® Exam Preparation Course in New York (IEP)

The University of Cambridge ESOL® exams have long been recognized as one of the industry leaders in English assessment, beneficial for those who wish to attend university, improve their job prospects or simply measure their level of English. The course is designed to prepare students to achieve their goals towards successfully passing the Cambridge exams:

PET - Preliminary English Test

FCE - First Certificate in English

Canada Programs & Courses

Intensive English

The best way to learn English is to surround yourself in the language. At our location here you will make life-long friends from around the world while being taught by the best teachers in Canada.

The length of the English Certificate program is flexible; it takes approximately 2 months to advance to the next level and there are 7 levels. After registering for this program, students will take a placement test to determine their entrance level. Most students study 12, 24, 36, or 48 weeks and then go on to take an English exam or enter a college or university.

English Levels

There are 7 levels in the core curriculum, from English 110 to English 145. It takes approximately 2 months to complete each level.

ADVANCED

The Office of International Student Services can assist students with their housing needs during their stay with Zoni. Depending on the campus location, students have a variety accommodations to choose from.

Residence Halls

For independent students who want to have more privacy, Zoni has partnered with well-known and experienced residences that give students a great sense of community while offering many on-site features and more freedom to go in and out on different schedules every day. Some residences might be shared with other Zoni students.

Furnished Rooms/Shared Apartment

Many residents rent out extra bedrooms in their homes in order to support their monthly expenses. Rooms are furnished. Meals and cleaning services are not included. Although home owners will provide the students with some initial guidance and orientation, they are not required to socialize after that. This is the perfect option for students who want to retain their independence and privacy in a safe, affordable location. Students must observe the Student Accommodations Guidelines for rules of conduct.

Student Dorms/Hostel (Miami Beach Only)

Dorms and hostels are the most convenient and affordable type of accommodation in South Beach. It is very practical for students because the options available are located within the school area and just a few steps from the beach. Also, it is easily accessible to public transportation for all other areas of Miami-Dade and important landmarks. By sharing rooms, students will experience typical student life, spend their free time with other Zoni students and have a much lower cost compared to any hotel or other housing options.

Homestay

Homestay is an excellent option for students who want to experience the local way of living. Spend quality time with your host family and be treated as part of the household. It is an excellent way to practice English and create long-lasting friendships. In many instances, our students end up referring to their hosts as their "second family"!

*Not all options are available at all locations.

The Zoni Academic Pathways program has help an exceptional 18% of our entire student body, to colleges and universities world-wide.

English for Specific Purposes

The Zoni English for Special Purposes program is for those who already know some English but need to communicate a set of professional ideas and perform particular job-related duties. Each course in the program is tailored to a specific profession concentrating more on language in context than on teaching grammar and language structures.

Covering subjects ranging from health and computer science to finance and engineering. English for Special Purposes focuses which language skills are most needed by the students in their chosen profession, and the syllabus is designed accordingly. This program might, for example, emphasize the development of reading skills in students who are preparing for a career in the global finance or it might promote the development of spoken skills for those who are studying English in order to grow in the booming hospitality industry.

Bilingual professionals are in demand and the Zoni English for Special Purposes program was developed to allow students to apply what they learn in their English classes to their higher education studies or current career path. Contemporary, professional vocabulary and structure are taught in a meaningful context and reinforce learning. The students' abilities in their fields of study, in turn, improve their ability to acquire English.

TEFL Courses

Become a certified English as a Second Language teacher by earning your TEFL certificate with Zoni Language Centers. Zoni integrates practical experience with coursework that explores effective teaching techniques and methods. In this hands-on four week program the coursework emphasis is on practicality, so you know you'll be prepared for the classroom once you've earned your certification.

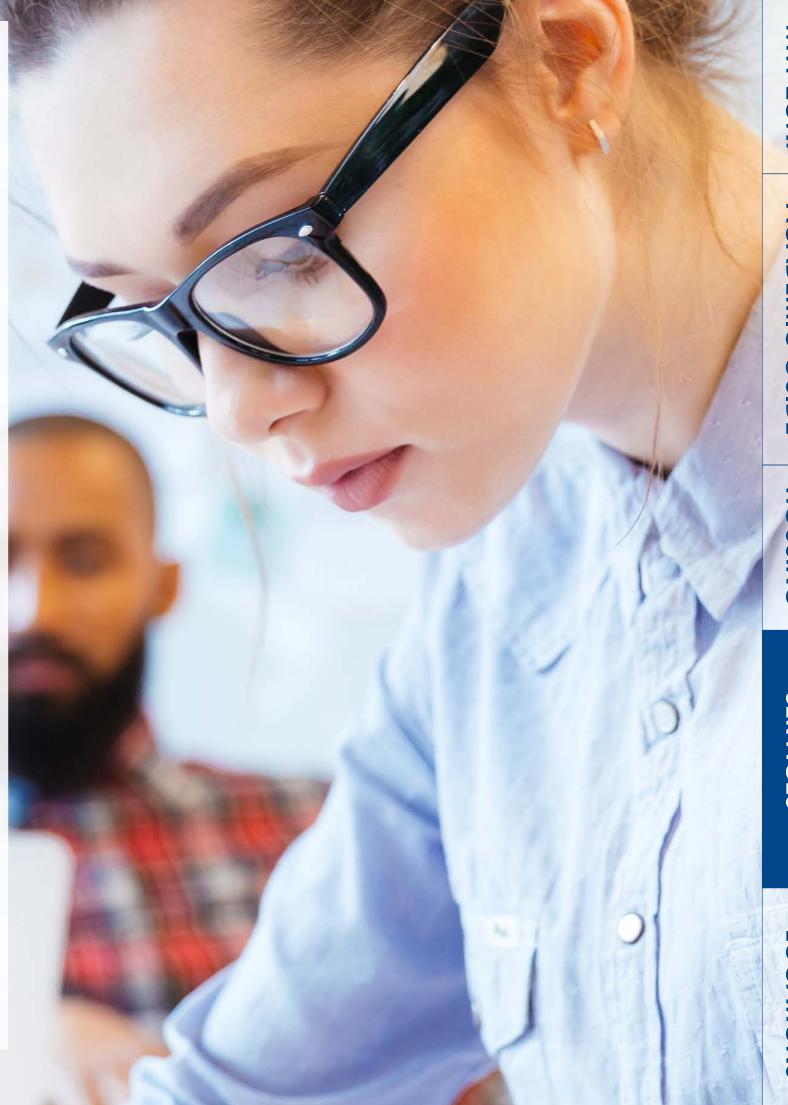

There's no need to speak any language other than English, we'll show you the value of an English-only classroom and how to facilitate your lessons through our communicative approach, which is an international standard. The main requirement is that applicants possess fluent English skills. Course content is uniform throughout the world and does not vary according to location.

Zoni TEFL courses are intensive; however, our trainers will help every trainee in accordance with individual needs and all trainees will have sufficient time to complete the course. In many cases, course organizers will help to arrange leisure activities and trips for trainees — helping them to make the most of their spare time and local surroundings.

TEFL Certification course includes:

- Welcome meals and some course excursions.
- Airport greeting and transport service in locations where possible.
- · Courses held monthly in U.S. and Canada locations.
- Staff who are internationally qualified and experienced teacher trainers.
- Professionally prepared course materials and a wide range of published teaching materials.
- 6 -10 hours of observed teaching practice with a variety of English language skill levels for both individuals and groups.
- 120+ study hours to meet the international standard.
- · Certificate learning in large and modern language schools.
- Internationally recognized and ACCET accredited TEFL program.

We have made it our priority to provide courses that suit your schedules, goals and budgets. We sincerely hope you choose Zoni Language Centers and come to recognize that our courses are unequaled in terms of quality, practicality and value.

Long-Term Courses

Students aged 18 and above who have already graduated from their equivalent to US high school, may take our General English program for a term, a semester or a full academic year depending on the academic advising office and the student's university of choice. In order to take advantage of our possible pathways please contact our university placement advisor. The university acceptance process takes some time in most cases in the United States, sometimes as much as months. Our College and University Placement Advisors offer personalized counseling and are ready to guide you stepby-step throughout the entire process. A short interview allows our Advisor to understand the major and school that will best fit your goals, academic background, and budget. If you wish to take a long term course and price is as important to you as quality, then go for the Standard Intensive English Program option.
