MORNING AND EVENING COURSES

Study English in Vancouver

CORNERSTONE
International Community College of Canada

INTENSIVE ESL PROGRAM *FULL TIME*

START DATE: MONTHLY | DURATION: 4-48 WEEKS

Program description

This program is based on monthly courses that allow students to rapidly improve their English skills. It covers all four aspects of the English language: speaking, listening, reading and writing, with a particular focus on grammar. The student will begin the course at the most suitable level for their ability, and advance one level every consecutive month. We recommend that students take 4-6 months to achieve significant improvement; and for those students with a minimum knowledge of the English language we recommend 8-12 months of studies.

Admission requirements

There is no minimum English level required for admission to the ESL program. Before starting classes, all students must take the **Cornerstone English Placement test** to determine the student's current level of English.

Our programs are committed to helping students improve their communication skills and knowledge of the English language through a dynamic, fun classroom environment that explores a broad range of relevant, local and timely topics. Cornerstone provides English courses that are approachable, professional and tailored to the specific needs of the students.
