OUR PROMISE

Nothing is more important to CLLC than a student's well-being. Great care is taken to provide a kind, safe, and warm-hearted environment.

Studying abroad is an exciting experience. It's an important step that causes concern for parents and students. There are many challenges and it's not easy to be away from home, speaking a new language, living in a different culture while trying to make new friends.

We promise that CLLC staff knows what this feels like, most of them having had first-hand experience. They understand student feelings and go out of their way to make students feel secure, comfortable, and at home.

At CLLC, we are known for how much we care.

COURSE HIGHLIGHTS

GENERAL ENGLISH

CLLC's General English Program has six levels. From Introductory to Advanced. The program develops skills in five areas: Reading, Writing, Listening, Speaking, and Critical Thinking. Students are able to progress through the levels at their own pace with flexible scheduling options.

UNIVERSITY PATHWAY

CLLC's University Pathway Program (UPP) focuses on time management, note taking, exam preparation, academic presentations, and essay writing. Students can complete UPP in any CLLC city and continue onto one of CLLC's partner universities or colleges without writing an English language proficiency exam.

BUSINESS ENGLISH

CLLC's Business English course uses real business case studies. Each case study covers a specialized area of business practice. Students work to develop solutions to specific problems, prepare presentations, learn business vocabulary, and write reports, emails, and letters setting out conclusions.

IELTS / TOEFL

CLLC's part-time IELTS exam preparation course is designed to give students the skills needed to pass their exams. CLLC teachers focus on the IELTS modules to make sure students know what to expect when taking an IELTS exam. A minimum of Level 4 General English is needed to enrol in the IELTS class.

GROUP PACKAGE

CLLC's Group Program is offered in CLLC's three cities: Toronto, Ottawa, and Halifax. CLLC offers exclusive rates for groups of more than 5 students. Flexible schedules are available and chaperones are welcome. The minimum age is 14 with a chaperone and 16 without. Contact Laura (laura@cllc.ca) for details.

FAMILY PACKAGE

CLLC's Family Program gives students younger than 16 a chance to study in one of CLLC's partner schools while their parents and older siblings attend CLLC. This special program gives families the chance to travel together and experience an unforgettable English learning adventure.

PLUS ONE

Plus One is a class that occurs daily, Monday to Thursday. It is a CLLC trademarked program that allows students to choose a variety of topics that cater to their interests or academic weaknesses. Plus One topics change every two weeks, so students get the chance to study many topics during their study period.

My CLLC EXPERIENCE

CLLC is the place to learn English while having a good time. The staff are always in a good mood and the building is new and modern. It is a beautiful experience. My most memorable experience is without a doubt, meeting all the new students from all over the world. In addition to improving my English, I have made lifelong friends. Thank you CLLC!

My first impression of CLLC is that it is a family. Everyone always asks how you feel and about your adaptation. The infrastructure is great and the teachers are amazing. This is the reason I have come back here for a second time! And next year I plan to return again! I really love Halifax and this school.

CLLC's teachers are wonderful. They individually tailor instruction and they are friendly and kind. I have fun while learning English and I like having conversations! Halifax is a perfect environment to study. It's pretty close to the downtown area, but still rich in nature. The city is safe, and I can live with peace of mind. Many students from all over the world study here and we can make friends.
