# PATHWAYS PROGRAM

There is no minimum level of English proficiency required to enter this program. However, you must successfully complete the upper-intermediate level of English proficiency at HIC before you start classes at the college or university.
- HIC's Intensive English as a Second Language (IESL) and Intensive Business English (IBE) Program provide English for Academic Purposes through reading, writing, listening, and speaking skills to succeed in a college or university in the United States.
- After you apply the college or university will determine whether you qualify for admission.
